## From the Editor

It's been a busy month with the search for both a new monthly meeting venues and a suitable venue for the nationals. As it turns out we have found a single venue that can satisfy both of those needs and that is Royal Oak bowls in Selwyn St Onehunga. Our regular meetings will be held in their Sports Lounge. Royal Oak Bowls has good off-street parking and has a restaurant and bar on site. The monthly rental fee is more than we would normally like to pay but Modelair has generously offered to cover half of that. We look forward to hopefully building a long term relationship with Royal oak Bowls to bring a bit more stability than we have experienced when dealing with Auckland council and their robotically run booking systems that have no concept of loyalty or history. More details and location map later in this newsletter

This is a smaller than usual newsletter as the article cupboard is bare this month. So as I have said before please consider taking a little time to put together an article.

## NEXT MEETING

As you can see, t's all systems go for the October Nats. We have the show venue, we have the prizegiving dinner venue and we are working through the details.

The committee will be engaging businesses and other organizations for both interest in participation and opportunities for sponsorship. We have started a list of these to contact and welcome input from members with suggestions for more as there may be some we have not been aware of.
