THE CHAIRMAN'S BIT

April 2016 IPMS Meeting – New Temporary Venue

Hi Everyone,

As signalled at the last meeting we are obliged to find a new venue for the April and May meetings due to refurbishment work at the Leys Institute.

We agreed that for April at least we would meet at Modelair, 12 Kent Street at the normal time. Parking is free at this time but the restaurant trade is pretty busy. We will open the second floor parking area above the shop, the ramp is on Kent Street to the left of the shop. Parking spaces are pretty tight so please take care when maneuvering.

The team at Modelair are happy to host, and as a "sweetener" for attendance at the AGM (usually not a popular meeting!) the shop is happy to offer a one-night only 15% discount on EVERYTHING in store EXCEPT goods that are already on sale.

Staff will be on hand to process transactions and supply you with tea and biscuits.

Chairs are going to be a bit of an issue, I will bring some down from my practice but if you want to bring a fold-up OR plan on standing for the meeting then feel free.

Please bring completed and half-completed kits as per usual, we will use the bench space at the counter for display.

Cheers

Mark

BULLETIN BOARD

EVENTS THIS MONTH & MARCH CLUB NIGHT NOTES

Notice of Annual General Meeting.

This will hopefully not take long, but we do need to follow due process. I will have plenty of copies of the minutes from last year, agenda and financial statement for distribution. I am happy to stand again as Chairman but also happy to stand down if there is someone who desperately wants the job!

Now that we have found out that 1967 is the year that IPMS Auckland kicked off (effectively, if not officially) the idea of having Keith Bunyan as Chairman can rest for a year while we all have a think.

The biggest role to fill will be that of Newsletter Editor which has been superbly performed by Rob Willis for years now. In the survey last year the newsletter was highly valued by almost all members, but last month no-one indicated any willingness to take on the role. This must change!

You won't be dragooned into doing anything, so please come along, have some fun and maybe slide along to the bar nearby for a refreshing beer afterwards.

Build the Same Kit 2016

Just a wee reminder that this year the BSK competition features the Tamiya Mini Cooper. These are available for sale from Modelair at the discounted price of \$25.00, get yours started now!

CLUB NIGHT MODELS

This month we're trying something a little different with the gallery.

Instead of trying to squeeze the photographs from Club Night onto these pages, we've decided to try a new gallery format on the clubs website. This means larger images with higher resolution - so you can see all those previously unnoticed finger-prints in hi-def.....

So, for your viewing pleasure, please visit the gallery pages for 2016 on the website or get there by following this link:

On The Table - IPMS Auckland Club Night - January 2016

LAST WORDS

Couple of releases to get excited about - 1/48 Meteor F.8 from Airfix and 1/144 VC-10 from Roden....

And as usual - check out the IPMS Auckland website as we're trying to keep the content a bit more dynamic. We won't be regurgitating content found on other websites but will provide links to sites we think are of interest to members.
